SEE YOU LATER,
ALLIGATOR!

IN A WHILE
CROCODILE!

It has rained heavily today!
In spite of the rain Kitty Kotty is not complaining. All day long
she has been playing with Adie, Pats, and Jules.
It is such a pity it is already evening! Kitty Kotty says good-bye
to her friends and gets ready for bed.

BYE, JULES!

BYE, ADIE!

BYE, PATS!

**TAKE CARE,
POLAR
BEAR!**

**SEE YOU SOON,
RACCOON!**

Her Mum calls out "Supper time!"
Kitty Kotty is playing with her ball,
but Mum tells her to stop.
"You can play tomorrow,"
she says. "Now it's supper time.
Put the ball in the cupboard
and go and wash your hands
before the meal."

Kitty Kotty is washing
her hands.
